

Postgraduate Certificate in Medical Education for Health Care Professionals

RECORD OF ASSIGNMENT SUBMISSION

Plagiarism can be defined as stealing or passing off the ideas of another as one's own, and is therefore unacceptable. This applies equally to the work of other students as to published sources.

I certify that I have read and understood the above statement and have completed this assignment cognisant thereof.

Title of Assignment	Submission Date	Author's Signature	Date

NB: Please complete and submit this form with each written assignment.
